Richard and Mike – Let me know if you need my input/review of your summary. Paula is out this morning, but I expect her to be in sometime later today.

Thanks,
Steve

Yes, I discussed this next step with Kelcey, Aaron and Andrea yesterday morning. I'm looking forward to hearing the outcome of the interagency meeting.

Suzanne – can your staff put together a summary of the results of yesterday's meeting with an analysis of where we are with CDPHE and BLM and whether we are ready to go with a Plan B depending on a SGC response? I think Shaun wants to see that we are aligned before we send the letter, so the sooner the better.

Martin,

How did the meeting go today? Where did the conversation on Plan B end up?

Shaun/Joan – should I have staff go over these edits with BLM and CDPHE? They have a meeting today to discuss get to consensus on Plan B and we could offer these revisions at this meeting if you are comfortable with the edits.

Shaun, Joan and Martin –

Attached are my suggested comments on the Sunnyside Upper Animas joint letter.

I've attached a tracked changes version and a clean copy. I'll be checking email this weekend, and will be happy to answer any questions or address any concerns with my edits.

Thanks,

Suzanne
